LEV (Life, equality and values) Rotations and module overview 2023 – 24

Rotations and layout

Focus	Outline
Introduction lesson – British values	Establishing what key values are and exploring the designated 'British values' Reflecting on their own values and how we see them presented in society.
Introduction lesson – ICT, Unifrog and baseline quiz	Introducing students to the use of ICT in school and accessing homework and the necessary apps on their own devices. Completing baseline quiz/form to establish known key terms and prior learning. Used to demonstrate progression and increase confidence as topics are covered further throughout the year.
Rotation 1	Beliefs/Citizenship & careers/Digital Literacy/Relationships & wellbeing
Rotation 2	Beliefs/Citizenship & careers/Digital Literacy/Relationships & wellbeing
Mid-year review	Mind map 'show me what you know' activity on the first 2 modules undertaken, key terms and further questions on task sheet. Students then need to complete the review Microsoft Form by selecting the appropriate 'I can' statement responses from the lists for the 2 modules completed so far.
Rotation 3	Beliefs/Citizenship & careers/Digital Literacy/Relationships & wellbeing
Rotation 4	Beliefs/Citizenship & careers/Digital Literacy/Relationships & wellbeing
End of year review	Mind map 'show me what you know' activity on the last 2 modules undertaken, key terms and further questions on task sheet. Students then need to complete the review Microsoft Form by selecting the appropriate 'I can' statement responses from the lists for the 2 modules completed most recently.
