I am the designated safeguarding lead for children who are looked after and young carers.**

**I am a person-centred counsellor working with students on a range of emotional issues. These emotional issues maybe impacting on their learning or overall well-being. **My role in school is to work with students to help them overcome obstacles to their learning. I offer either one to one or small group support to students around a range of social, behavioural or emotional difficulties. I aim to encourage students to develop coping strategies and make positive choices, enabling them to work through personal difficulties around issues such as family , low self esteem, anxiety, bereavement, sexual health and friendships.**

**Nina Livings**

**Attendance Officer**

**Email : [Nina.Livings@whitleybayhighschool.org](mailto:Nina.Livings@whitleybayhighschool.org)**

**I appreciate that attending school is not always easy for some students and that this can be for a variety of reasons which are personal to each individual. My role is to work with students to understand their reasons and offer them support so that they can improve their attendance. This may involve working with their family and external agencies as well. I also monitor and report on attendance across the lower school so that we maintain high rates of attendance, something which is closely linked to higher educational achievement.**
